The A.O.S. in Respiratory Therapy Program offers online academic training with an on-ground clinical component. Labs are conducted at the Concord and Modesto campuses, and clinical training takes place in the Concord and Modesto areas

Gurnick Academy of Medical Arts places great importance on clinical experience as a pivotal component of healthcare education. Students enrolled in our Respiratory Therapy program are required to undergo rotations at our affiliated medical facilities in Concord, CA and Modesto, CA.

The A.O.S. in Respiratory Therapy degree enables students to **qualify for the RRT examinations and pursue certification as a Registered Respiratory Care Practitioner (RCP) in California.**

We are Accredited & Approved

- Institutionally accredited by the Accrediting Bureau of Health Education Schools. *
- Approved to operate by the California Bureau for Private Postsecondary Education. **
- Provisionally accredited by the Commission on Accreditation for Respiratory Care. ***

*ABHES Contact Information:

6116 Executive Blvd., Suite 730, North Bethesda, MD 20852 (301) 291-7550 | info@abhес.org

** Approval to operate means the institution is compliant with the **minimum standards contained in the California Private Postsecondary Education Act of 2009** (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. Information about the Bureau for Private Postsecondary Education can be found at www.bppe.ca.gov.

*** Provisional accreditation signifies that a program with an approval of intent has demonstrated sufficient compliance with the standards through submission of an acceptable Provisional Accreditation Self-Study Report (PSSR) and any other documentation required by the CoARC, as well as satisfactory completion of an initial on-site visit, to be allowed to admit students. It is recognized as an accredited program by the National Board for Respiratory Care (NBRC), which provides enrolled students who complete the program with eligibility for the Respiratory Care Credentialing Examination(s). The program will remain on provisional accreditation until it achieves Continuing Accreditation. For more information, please visit www.coarc.com.
