Van Nuys Campus

15400 Sherman Way
Suite 201
Van Nuys, CA 91406
(747) 200-4567

The Nuclear Medicine Technology Program delivers academic training online laboratory activities virtually, and clinical rotations on-ground.

Program Curriculum

provides students with the technical, clinical, and interpersonal skills necessary to succeed in the nuclear medicine field.

Students will attend 16-32 hours per week of hands-on clinical training in live operational patient care settings. Clinical externships will take place in the second year of the program.

We are Accredited & Approved

- Institutionally accredited by the Accrediting Bureau of Health Education Schools.*
- Approved to operate by the California Bureau for Private Postsecondary Education.**
- The Associate of Science in Nuclear Medicine Technology Program is programmatically accredited by the Joint Review Committee on Education in Nuclear Medicine Technology (JRCNMT).***
