Suite 201
Van Nuys, CA 91406
(747) 200-4567

The Master in Occupational Therapy Program includes online lectures, on-site laboratory training, and a clinical education component that correlates with theoretical knowledge and provides the necessary technical, clinical, and interpersonal skills needed to succeed in this field.

The lab is furnished with equipment and audiovisual teaching aids, a pediatrics lab with specialized materials for sensory integration, an orthotics lab, and activities of daily living (ADL), among other equipment.

Students will receive experience in Outpatient, SNF, and Inpatient Healthcare facilities, Behavioral Clinics, and OT services in school settings.

Students have the opportunity for four (4) 40-hour clinical rotations at various types of facilities and two (2) 12-week full-time clinical rotations in Adult and Pediatric settings where OT services are provided.

We are Accredited & Approved

- Institutionally accredited by the Accrediting Bureau of Health Education Schools.*
- Approved to operate by the California Bureau for Private Postsecondary Education.**

*ABHES Contact Information

6116 Executive Blvd., Suite 730, North Bethesda, MD 20852 (301) 291-7550 | info@abhес.org

Approval to operate means the institution is compliant with the **minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. Information about the Bureau for Private Postsecondary Education can be found at www.bppe.ca.gov.

ACOTE Accreditation Notice

The entry-level occupational therapy master's degree program at Gurnick Academy of Medical Arts is currently under applicant status and must be granted Candidacy Status, have a pre-accreditation review, complete an on-site evaluation, and be granted Accreditation Status before its graduates will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT).

***After successfully completing this exam, the individual will be a Registered Occupational Therapist (OTR). In addition, all states require licensure to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT Certification Examination or attain state licensure.

Please refer to the Gurnick Academy of Medical Arts catalog and addendum for our published policy on the timely completion of all graduation and fieldwork requirements. The student must complete 24 weeks of Level II fieldwork within 12 months following the completion of the didactic portion of the program.

The Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 7501 Wisconsin Avenue, Suite 510E, Bethesda, MD 20814. ACOTE's Telephone Number, c/o AOTA, is (301) 652-AOTA (2682) and its website address is www.acoteonline.org.
